

# OUTLOOK December 2011

A monthly e-newsletter covering Industrial, Commercial & Retail Property in North Oxfordshire, North Gloucestershire, South Northants and South Warwickshire.

## PRIME INDUSTRIAL FREEHOLD

Happy Christmas! Each year I think I find myself being the first to wish you seasons greetings. May you have a happy and peaceful Christmas break when it finally arrives.

The last month has seen Bankier Sloan instructed on a number of interesting properties, details of which are set out in this newsletter.

Can I remind you that if you have an empty property we suggest you either drain the water system or leave the heating on...a call on Christmas Eve saying the pipes have burst in your empty property will be no fun.

We are again off to London to see the sights and therefore the office will be closed all day on Wednesday 14th December. I can however be contacted on my mobile on 07831 338111. Any offers for coffee from my West End based clients/friends will be much appreciated, as I can't shop all day!

Over the Christmas period our office will close from lunchtime on Friday 23rd December and will re-open again on Tuesday 3rd January 2012.
