

LOCAL BUSINESS GUIDES

The Cotswolds and North Oxfordshire

If you are reading this in print format, we recommend you view this guide on line at www.centre-p.co.uk/Local_Business_Guides.pdf

Introduction

Our first guide to local businesses was *BANBURY INDUSTRY* published in the summer of 1985, just 6 months after BANKIER SLOAN was formed. In those days it was an impressive 64-page A5 size booklet, promoting not only our services as Chartered Surveyors, specialising in Industrial, Retail and office premises, but it listed some 600+ companies in the Banbury area. It was very well received and is now updated regularly and published on our web-site.

We now provide professional advice across a much larger area and as a result we publish completely free on-line a number of guides. We hope you'll find the information and web-links helpful and interesting as you undertake your work in this very beautiful part of the country. We have always believed that by publishing this information it helps the local economy, which brings benefit to all who work and live in the area

Local Maps: We have over the years been asked on a number of occasions by individuals and businesses for permission to use these maps for identifying a business location for the benefit of their clients / customers. We have always given our permission and thought we would bring together these and make them available for any local business to use. Please note that if you use any map, we ask you ensure the four lines which state clearly that permission has been given are left in place. At the end of the file, you will see some examples of how we have used these maps for the benefit of our clients. See www.centre-p.co.uk/maps.pdf

Monthly Newsletters: We have published since 2002 a monthly e-newsletter, originally sent to just 46 clients, our circulation is now over 4,700. If you would like to be added to our mailing list, please e-mail reception@centre-p.co.uk and type YES PLEASE in the subject box and you will be added automatically.
