## WORKSHOP HEAVEN *Fine Tools*

### TOOLS

The two best tools you will ever own are your hands. With the help of some of the world's finest toolmakers, we can fill them with hand tools that help you to discover and fulfil your true potential.

At Workshop Heaven we carefully select fine woodworking hand tools that we believe offer the optimum balance of high performance and value for money. In other words, the ones that we would buy if we were in your position.

All of the tools that we sell are warranted against material and manufacturing defects for life, assuming reasonable care and proper use.
